

## Some notes on St Joseph's Day 2020 (190320)

Greetings!

I hope this finds all well with you.

1. Today is St Joseph's Day. So let us pray for St Joseph's School Bingley as well as our own church school and all local schools facing early closure tomorrow.

2. Vicky and I received a lovely phone call from one of our neighbours who lives alone. She was so grateful to receive the [#ViralKindness](#) card we put through her door. No help needed just now, but she is happy to have the offer.

3. There are a number of apps available to assist our daily prayers and Bible reading. If you go to [chpublishing.co.uk/apps](http://chpublishing.co.uk/apps) you will find a number of useful apps including [#LiveLent](#) and others giving the set readings for each day, reflections and prayers suggestions. Check it out!

4. One of our number is going to shop tomorrow and has kindly offered to get some small bits of shopping for those who are not getting out. If you need anything, let me know by this evening (on number below), and I'll pass your request on.

5. We now have a parish WhatsApp group. If you would like to be included, please let me know, and make sure I have your correct number.

6. If you would rather not receive any more mailings like this, please let me know.  
Keep praying, keep hopeful, and remember that there is nothing that can separate us from the love of God.

Andrew
