

## Notes 020420

Greetings! I hope this finds all well with you.

1. I am sure that all in the parish will want to join with me in sending best wishes to **Alison and David Froggatt** who at short notice have been presented with an opportunity to move to live near their daughter and son-in-law in **Lancaster**. It's a shame that present circumstances prevent us from giving them an appropriate send-off, but they go with our deep thanks, love and very best wishes.
2. There's another '**general applause**' scheduled for **8pm this evening**, when we're asked, like last week, to give a round of applause from the doorstep or from a window, to express our appreciation of all **NHS staff** and **all working in the caring professions**. Please continue to pray for all those working in the NHS, including Amanda Jones, Helen Starkie (Rosemary Glave's daughter), and all those risking their own health and safety to care for others.
3. Please continue to pray for **Kathy and Keith Hughes** and their **takeaway service** from the **Community Kitchen**. Today they fed the same six families as on Monday and another couple. They are grateful for the generous donations which have been received and for the offers of support from local businesses.
4. Please will you include in your prayers, **Vicki Askam's** mother-in-law, **Sheila**, who is poorly just now (not COVID 19!) Also please pray for **Iris Morris**, **Marilyn Harper's mother**, who is also poorly, and do continue to hold in prayer and all on our parish prayer list.
5. Sadly, news has been received that **Frances's** friend, **Marjorie**, has died. *RIP* We have faith that she is safe "in the arms of Jesus." Her friends and family look forward to a time when they can hold a fitting celebration of her life.
6. **Congratulations** to **Sam Fletcher** who has successfully completed her BSL online course! What are you doing during these days of confinement? Maybe you could find an online course?
7. **Bradford Council (@bradfordmdc) Tweeted:** There have been many reports nationally of scams connected to the coronavirus. We have put together some information on the types of scams in operation as well as advice on how to spot potential scammers and what actions to take <https://t.co/wePF4eih2D> <https://twitter.com/bradfordmdc/status/1245391554975543298?s=20>
8. **Please see attached an invitation to the Zoom Eucharist to take place on Palm Sunday.** If you are not sure about the technology, please be assured that it is relatively simple to set up, and Bob Griffiths will talk you through it.

Keep safe, keep praying, keeping serving, keep being Church!

*Fr Andrew*
