7. **Pub Church Invitation to Everyone:**
During lockdown Zoom Pub Church is running every Friday from 7.30pm to around 9pm for a time of fellowship and discussion centred around a Bible passage and how this relates to us and the world around us. We are currently focusing on early chapters of Acts. We'd love you to join us.
Please email Sheena Tullie—sheenatullie@gmail.com, so that we send an email invitation to you (it works in just the same way as the invitations to the Eucharist from Bob)
8. **Message from our friend, Fr Mike Green:**
The impact of COVID-19 threatens to undo years of wildlife conservation progress across Africa. The collapse in tourism and the overall economy is already seriously affecting rural livelihoods and conservation efforts, with fears that it will lead to an increase in poaching and further loss of habitat. To support Tusk's Crisis Fundraising Appeal I will be taking on the challenge of running 5K on 20 Jun, joining others around the world who are taking part in the Virtual Lewa Safari Marathon. The money I raise will support Tusk to ensure that their partner projects can survive this extremely challenging time and continue to protect Africa's incredible wildlife. I would be very grateful for your generous support:

Keep safe, keep praying, keeping serving, keep being Church!
