Dear Singer,

THE TRINITY SINGERS

Please find enclosed the programme of Trinity Singers events planned for the coming weeks and months. I would be grateful if you would let me know your availability.

In addition, there are two further lists of dates, for services where the music will be simpler, but which I hope might still be of interest.

The first concerns regular services in the parish where we use music from the Taizé Community in France. The music is very simple and chant-like, but descants and variations can be used according to resources available. If you would like to take part, either singing or playing an instrument, your help would be very welcome. The services all take place at Holy Trinity Church, Bingley at 6.30pm (preceded by a short rehearsal at 5.30pm). Please indicate your availability on the appropriate form.

The second additional list concerns "Other Services", where the music will be fairly simple, but where I hope some of us will be able to get together to give a lead, and perhaps sing an anthem. The rehearsals for these services might include (if time allows) a look at music for forth-coming Trinity Singers events.

If you have sung with us before, may I thank you for your continued support? If you have not sung with us previously, I do hope you will be able to. If you know of other singers who might like to join us, please would you let me have their details?

I look forward to seeing and hearing you at some or all of these forth-coming events.

Best wishes.

Yours,

Andrew
